

Dear Provider:

Thank you for your interest in participating as a provider of medical services for programs administered by the U.S. Department of Labor's Office of Workers' Compensation Compensation Programs (OWCP). The OWCP administers the Federal Employees' Compensation Act (FECA), the Black Lung Benefits Act (BLBA), and the Energy Employees Occupational Illness Compensation Program Act (EEOICPA).

OWCP has contracted with Affiliated Computer Services (ACS) to provide medical bill processing services to those three programs. As part of their benefit structure, these programs reimburse medical and non-medical providers for services rendered for the care and treatment of a claimant's compensable condition.

To process your bills, each provider must be enrolled with ACS. Please complete the enclosed provider enrollment form so that a provider identification number can be assigned to you. Instructions for completing the enrollment form and a list of provider types and specialty codes are also included.

The Debt Collection Improvement Act of 1996 includes the requirement that payments made by the Federal Government be sent by electronic funds transfer (EFT). EFT payments simplify and speed the billing process and reduce the incidence of billing errors. Therefore, an enrollment form for EFT is enclosed. A remittance advice listing all bills paid on each EFT transaction will be sent to your mailing address.

You must submit current licensure information on the completed enrollment application. Moreover you must maintain appropriate current licensure in order to receive payments under our programs. Where large group practices have providers in the group who are not providing medical services to our program on a regular basis, the group practice is responsible for monitoring the licensure of their entire group.

You may register as a participant in any or all three of OWCP's compensation programs. Please be sure to send the completed package(s) to the appropriate program(s) at the address (es) listed on P. 2 of the Form OWCP-1168.

Please be aware that OWCP, in an effort to assist claimants seeking medical services, is now providing an on-line search capability by one or more of the following: specialty, name, city, state, and zip code. The provider look up feature is meant as a customer service feature for those who may be seeking certain medical services in their area. [The FECA program provides search capability for physicians enrolled in their program. In addition to physicians, the EEOICPA program is providing a search capability for home health aides and hospice care.

FBLP will include all provider types for the provider look-up with the exception of provider type 53, non-medical vendors from the search.

Please advise us in writing when you submit your enrollment application if for some reason you do not wish to be included in this service. Customers using this look-up feature will be advised that this is not an endorsement, referral or an agreement to reimburse for medical services rendered, as the fact that a provider is listed in no way constitutes an endorsement of the provider or that provider's services by the Department of Labor and OWCP. Nor does it guarantee that the medical provider will be reimbursed by OWCP for specific medical services that the provider has billed directly to OWCP or that a medical provider will agree to provide medical services to a particular claimant. The appearance of a specific medical provider's name in the listing of providers in a certain specialty does not require that provider to treat a particular claimant, even if OWCP has already advised the claimant in writing that medical treatment for a particular condition within the provider's listed specialty has been authorized.

You will be notified by mail once your enrollment package has been processed. Once you have received your ACS provider number, you may submit your bills to the appropriate program at the following address:

(See e.g. 20 C.F.R. §§ 10.815, 30.715 and 702.431)
